AQUATIC HEROES MADE HERE

Benefits of partnering with Tulsa Lifeguard Pro:

- Aquatics Facility Consulting Partner Pack:
 - 1-hour meeting with your safety team to review equipment, EAP, and SOPs.
 - 1-hour in-service training for your lifeguard team.
 - Our team of tenured aquatics professionals is on hand to field questions you have throughout the season.
 - Team managers are invited to join us as "audit" participants in all or any portion of our lifeguard course offerings, with no limit or cost. Access our online coursework, in-class lectures, or head out to the pool to watch and/or jump in and get a feel for what it means to be a certified professional rescuer. Participate at any level that is comfortable for you, and gain valuable insight into the duties, expectations, and requirements of your lifeguard team.
- Swim Lessons Partner Pack:
 - Plug and play swim lessons program, built around your schedule.
 - Boast high-quality programming to attract more clients.
 - Collect 25% of swim lessons program revenue with no additional time or manpower required from your team.
- Lifeguard Certification Partner Pack:
 - Discounted rates for your staff lifeguard certifications.
 - Easy access to our team of well-trained, certified lifeguards available as a backup resource when your staff is unavailable.
 - Priority registration in Tulsa Lifeguard Pro programs for your team.
